ADJOURNED REGULAR MEETING  
OF THE MAYOR AND TOWN COUNCIL OF THE  
TOWN OF WILSONVILLE, ALABAMA, HELD ON  
NOVEMBER 5, 1963

The Mayor and Town Council of the Town of Wilsonville, Alabama, met in adjourned regular session at the Town Hall in said Town, which is the usual place of meeting and said Mayor and Council, pursuant to the adjournment of the regular meeting held on November 4, 1963. Upon roll call the following were found to be present: Mayor Stephenson, and the following Councilmen: D. F. Bolton, Lee Reinhardt, Sam Stoudenmire, George Winston Baker and Billy Whitten. J. F. Helms, the Town Clerk, was also present.

The following ordinance was introduced in writing by Councilman Billy Whitten and was read at the meeting:

IMPROVEMENT ORDINANCE NO. 8

AN ORDINANCE TO PROVIDE FOR THE CONSTRUCTION  
OF CERTAIN SANITARY SEWERS IN THE TOWN OF  
WILSONVILLE, ALABAMA

BE IT ORDAINED, by the Mayor and Town Council of the Town of Wilsonville, Alabama, as follows:

Section 1. Sanitary sewers shall be constructed in the Town of Wilsonville, Alabama, along the following described lines:

(a) Beginning at a point 13 feet from the east edge of the paving of Alabama Highway 25, the said point being 288 feet northeast of the intersection of Main Street with Alabama Highway 25; thence 53° left and westerly a distance of 171 feet to a point on the west edge of the paving of Main Street; thence 96° right and northerly along the west edge of the paving of Main Street a distance of 512 feet;

(b) Beginning at a point 5 feet west of the west edge of the paving of Alabama Highway 25, the said point being 288 feet northeast of the intersection of Main Street and Alabama Highway 25; thence northeasterly along the west edge of the paving of Alabama Highway 25 a distance of 580 feet;

(c) Beginning at a point 14 feet east of the edge of the paving of Alabama Highway 25, said point being 288 feet northeast of the intersection of Main Street and Alabama Highway 25; thence northeasterly along the east edge of the paving of Alabama Highway 25 a distance of 3,040 feet; thence 90° left and northwesterly a distance of 35 feet; thence 89° right and northeasterly along the west edge of the paving of Alabama Highway 25 a distance of 150 feet;

(d) Beginning at a point in the center of the north edge of intersection of McGowan Road and Cemetery Street; thence easterly along the north edge of McGowan Road a distance of 650 feet to a point of ending.

Section 2. The said sanitary sewers shall be constructed with the necessary manholes and connections and in accordance with full details, drawings, plans, surveys, and estimates prepared by Harry Hendon & Associates, Inc., engineers of Birmingham, Alabama, which have been placed on file in the office of the Town Clerk in the Town Hall at Wilsonville, Alabama, where property owners who may be affected by the said improvements may see and examine the same. The Mayor and Town Council do hereby adopt the said details, drawings, plans, surveys, and estimates. The said sewers and appurtenances are to be constructed of brick, concrete masonry, steel, vitrified clay and cast iron sewer pipe as shown or described in the said details, drawings, plans and specifications.

Section 3. The cost of constructing the improvements authorized herein shall be assessed and levied in fair proportion against the real estate hereinafter described lying within the district drained by the said sewers; provided, however, that the said assessments shall not exceed the total cost of the said improvements; and provided, further, that no assessment against any property shall exceed the increased value of such property by reason of the special benefits derived by such property from the said improvements. The lots and parcels of land against which the said assessments shall be levied are described as follows:
